

What is Global Learning?

Global Learning is a government- funded programme for KS2 and 3, which gives pupils the opportunity to develop their critical thinking in the context global citizenship, linking into themes and schemes of work in your school/college.

Benefits to your school:

1. 8 free Twilights sessions, wherein partner schools will come together and share good (existing) practice, in a Global Learning context and you will also come away with lots of resources and ideas to use in your school.

2. GL meets OFSTED requirements with delivering SMSC and British Values and improves pupil engagement within the themes of rights and responsibilities, justice and peace, one-story perceptions and Eco-schools.

3. Just by joining, your school will get £500 e-credits (which can be used to pay for continued professional development courses and training run by third-party providers. These e-credits will be available, once you have completed a whole school audit.

If you would like to become part of this you will need to send your contact details (with the name of the designated staff representative) to Ruth Frank, rfrank@carmel.org.uk, 01325 254525.
